Each yearly license shall be issued for the twelve-month period of May 1 to April 30. The provisions of this ordinance and the rates herein shall remain in effect from year to year as amended by the Council.

Section 11-34 License Tax

A. The required license tax shall be paid for each business subject hereto according to the applicable rate classification on or before the due date of the 30th day of April in each year, except for those businesses in Rate Class 8 for which a different due date is specified.

B. A separate license shall be required for each place of business and for each classification or business conducted at one place. If gross income cannot be separated for classifications at one location, the license tax shall be computed on the combined gross income for the classification requiring the highest rate. A license tax based on gross income shall be computed on the gross income for the preceding calendar or fiscal year, and on a twelve-month projected income based on the monthly average for a business in operation for less than one year. The tax for a new business shall be computed on the estimated probable gross income stated in the license application for the balance of the license year. Applicants may be required to submit copies of portions of state and federal income tax returns reflecting gross receipts and gross revenue figures.

C. The applicant shall certify under oath that the information given in the application is true, that the gross income is accurately reported, or estimated for a new business, without any unauthorized deductions, and that all assessments, personal property taxes on business property and other monies due and payable to the Municipality have been paid.

Section 11-36 Deductions, Exemptions, and Charitable Organizations

A. No deductions from gross income shall be made except income earned outside of the Municipality on which a license tax is paid by the business to some other municipality or a county and fully reported to the Municipality, taxes collected for a governmental entity, or income which cannot be included for computation of the tax pursuant to State or Federal law. The applicant shall have the burden to establish the right to exempt income by satisfactory records and proof.

B. No person shall be exempt from the requirements of the ordinance by reason of the lack of an established place of business within the Municipality, unless exempted by State or Federal law. The License Official shall determine the appropriate classification for each business in accordance with the latest issue of the North American Industry Classification System (NAICS) for the United States published by the Office of Management and Budget. No person shall be exempt from this ordinance by reason of the payment of any other tax, unless exempted by State law, and no person shall be relieved of liability for payment of any other tax or fee by reason of application of this ordinance.

C. A Charitable Organization shall be exempt from the business license tax on its gross income unless it is deemed a business subject to a business license tax on all or part of its gross income as provided in this section. A Charitable Organization, or any for-profit affiliate of a Charitable Organization, that reports income from for-profit activities, or unrelated business income, for Federal income tax purposes to the Internal Revenue Service shall be deemed a business subject to a business license tax on the part of its gross income from such for-profit activities or unrelated business income.

A Charitable Organization shall be deemed a business subject to a business license tax on its total gross income if (1) any net proceeds of operation, after necessary expenses of operation, inure to the benefit of any individual or any entity that is not itself a Charitable Organization as defined in this ordinance, or (2) any net proceeds of operation, after necessary expenses of operation, are used for a purpose other than a Charitable Purpose as defined in this ordinance. Excess benefits or compensation in any form beyond fair market value to a sponsor, organizer, officer, director, trustee or person with ultimate control of the organization shall not be deemed a necessary expense of operation.

Section 11-37 False Application Unlawful

It shall be unlawful for any person subject to the provisions of this ordinance to make a false application for a business license, or to give or file, or direct the giving or filing of, any false information with respect to the license or tax required by this ordinance.

Section 11.38 Display and Transfer

A. All persons shall display the license issued to them on the original form provided by the License Official in a conspicuous place in the business establishment at the address shown on the license. A transient or non-resident shall carry the license upon his person or in a vehicle used in the business readily available for inspection by any authorized agent of the Municipality.

B. A change of address must be reported to the License Official within ten (10) days after removal of the business to a new location and the license will be valid at the new address upon written notification by the License Official and compliance with zoning and building codes. Failure to obtain the approval of the License Official for a change of address shall invalidate the license and subject the licensee to prosecution for doing business without a license. A business license shall not be transferable and a transfer of controlling interest shall be considered a termination of the old business and the establishment of a new business requiring a new business license, based on old business income.

Section 11-39 Administration of Article

The License Official shall administer the provisions of this article, collect license taxes, issue licenses, make or initiate investigations and audits to insure compliance, initiate denial or suspension and revocation procedures, report violations to the municipal attorney, assist in prosecution of violators, produce forms, make reasonable regulations relating to the administration of this ordinance, and perform such other duties as may be duly assigned.

Section 11-40 Inspection and Audits

A. For the purpose of enforcing the provisions of this ordinance, the License Official or other authorized agent of the Municipality is empowered to enter upon the premises of any person subject to this ordinance to make inspections, examine and audit books and records. It shall be unlawful for any such person to fail or refuse to make available the necessary books and records. In the event an audit or inspection reveals that the licensee has filed false information, the costs of the audit shall be added to the correct license tax and late penalties in addition to other penalties provided herein. Each day of failure to pay the proper amount of license tax shall constitute a separate offense.

B. The License Official shall have the authority to make inspections and conduct audits of businesses within the Municipality to insure compliance with the ordinance. Financial information obtained by inspections and audits shall not be deemed public records, and the License Official shall not release the amount of license taxes paid or the reported gross income of any person by name without written permission of the licensee, except as authorized by this ordinance, State or Federal law, or proper judicial order. Statistics compiled by classifications are public records.

Section 11-41 Assessments, Payment under Protest, Appeal

A. If a person fails to obtain a business license or to furnish the information required by this ordinance or the License Official, the License Official shall examine such records of the business or any other available records as may be appropriate, and conduct such investigations and statistical surveys as the License Official may deem appropriate to assess a license tax and penalties as provided herein.

B. A notice of assessment shall be served by certified mail or personal service. An application for adjustment of the assessment may be made to the License Official within five (5) days after the notice is mailed or personally served or the assessment will become final. The License Official shall establish a uniform procedure for hearing an application for adjustment of assessment and issuing a notice of final assessment.

C. A final assessment may be appealed to the Council only by payment in full of the assessment under protest within five (5) days and the filing of written notice of appeal within ten (10) days after payment pursuant to the provisions of this ordinance relating to appeals to Council.

Section 11-42 Delinquent License Taxes, Partial Payment

A. For non-payment of all or any part of the correct license tax, the License Official shall levy and collect a late penalty of five (5%) percent of the unpaid tax for each month or portion thereof after the due date until paid. Penalties shall not be waived. If any license tax remains unpaid for sixty (60) days after its due date, the License Official shall report it to the City Administrator for appropriate action.

B. Partial payment may be accepted by the License Official to toll imposition of penalties on the portion paid; *provided*, however, no business license shall be issued or renewed until the full amount of the tax due, with penalties, has been paid.

Section 11-43 Notices

The License Official may, but shall not be required to, mail written notices that license taxes are due. If notices are not mailed, there shall be published a notice of the due date in a newspaper of general circulation within the municipality three (3) times prior to the due date in each year. Failure to receive notice shall not constitute a defense to prosecution for failure to pay the tax due or grounds for waiver of penalties.

Section 11-44 Denial of License

The License Official shall deny a license to an applicant when the License Official determines:

- A. The application is incomplete, contains a misrepresentation, false or misleading statement, evasion or suppression of a material fact; or
- B. The activity for which a license is sought is unlawful or constitutes a public nuisance per se or per accident; or
- C. The applicant, Licensee or prior Licensee or the person in control of the business has been convicted, within the previous ten years, of an offense under a law or ordinance regulating business, a crime involving dishonest conduct or moral turpitude related to a business or a subject of a business, or an unlawful sale of merchandise or prohibited goods; or

A decision of the License Official shall be subject to appeal to Council as herein provided. Denial shall be written with reasons stated.

Section 11-45 Suspension or Revocation of License

When the License Official determines:

A. A license has been mistakenly or improperly issued or issued contrary to law; or

B. A Licensee has breached any condition upon which the license was issued or has failed to comply with the provisions of this ordinance; or

C. A Licensee has obtained a license through a fraud, misrepresentation, a false or misleading statement, evasion or suppression of a material fact in the license application; or

F. A Licensee is delinquent in the payment to the Municipality of any tax or fee,

the License Official shall give written notice to the Licensee or the person in control of the business within the Municipality by personal service or certified mail that the license is suspended pending a hearing before Council for the purpose of determining whether the license should be revoked.

The notice shall state the time and place at which the hearing is to be held, which shall be at a regular or special Council meeting within thirty (30) days from the date of service of the notice, unless continued by agreement. The notice shall contain a brief statement of the reasons for suspension and proposed revocation and a copy of the applicable provisions of this ordinance.

Section 11-46 Appeals to Council

A. Any person aggrieved by a decision, final assessment, proposed revocation, suspension, or a denial of a business license by the License Official may appeal the decision to the Council by written request stating the reasons therefore, filed with the License Official within ten (10) days after service by mail or personal service of the notice of decision, final assessment, proposed revocation, suspension or denial.

At the hearing, all parties shall have the right to be represented by counsel, to present testimony and evidence and to cross-examine witnesses. The proceedings shall be recorded and transcribed at the expense of the party so requesting. The rules of evidence and procedure prescribed by Council shall govern the hearing. Council shall by majority vote of members present render a written decision based on findings of fact and application of the standards herein which shall be served upon all parties or their representatives and shall be the final decision of the Municipality.

Section 11-47 Consent, franchise or license required for use of streets

A. It shall be unlawful for any person to construct, install, maintain or operate in, on, above or under any street or public place under control of the municipality any line, pipe, cable, pole, structure or facility for utilities, communications, cablevision or other purposes without a consent agreement or franchise agreement issued by the Council by ordinance that prescribes the term, fees and conditions for use.

B. The annual fee for use of streets or public places authorized by a consent agreement or franchise agreement shall be set by the ordinance approving the agreement and shall be consistent with limits set by State law. Existing franchise agreements shall continue in effect until expiration dates in the agreements. Franchise and consent fees shall not be in lieu of or be credited against business license taxes unless specifically provided by the franchise or consent agreement.

Section 11-48 Confidentiality

Except in accordance with proper judicial order or as otherwise provided by law, it shall be unlawful for any official or employee to divulge or make known in any manner the amount of income or any particulars set forth or disclosed in any report or return required under this ordinance. Section 11-49 Violations

Any person violating any provision of this ordinance shall be deemed guilty of an offense and shall be subject to a fine of up to \$500.00 or imprisonment for not more than thirty (30) days or both, upon conviction. Section 11-50 Severability

A determination that any portion of this ordinance is invalid or unenforceable shall not affect the remaining portions.

Section 11-51 Classification and Rates

A. The classifications of businesses included in each rate class are listed with United States North American Industry Classification System (NAICS) codes, by sector, sub-sector, group

Ordinance 2019-15
Amend Appendix A—Rate Schedule of the
Business License Ordinance

THAT THE CODE OF ORDINANCES OF THE CITY OF LIBERTY, SOUTH CAROLINA, IS HEREBY AMENDED BY AMENDING APPENDIX A “RATE SCHEDULE” OF SECTION 11-51 “CLASSIFICATION AND RATES” OF THE BUSINESS LICENSE ORDINANCE

Whereas, the City is duly empowered to enact ordinances, not inconsistent with the laws or Constitution of the State of South Carolina, 1895, as amended, exercising its powers related to the expenditure of public funds for public purposes and those other powers incident to, and necessary for the accomplishment of, the City's express authorization to levy certain taxes and fees and the implementation of programs for public purposes; and

Whereas, for small contractor jobs (\$2,000 or less), contractors generally pay an inordinate amount of a business license fee due to most jobs being done on a per job basis as a result of the City not having a large number of contractors within the City who have an annual license; and,

Whereas, the Mayor and Council recognizes this has an adverse effect on the residents and businesses in the City who hire the per job contractors for small jobs.

Now Therefore, it is the intention of the council, and it is hereby ordained, that the provisions of this ordinance shall become and be made part of the Code of Ordinances of the City of Liberty, South Carolina, and the sections of this ordinance may be renumbered to accomplish that intention.
