Item 1-First Reading of Ordinance 2022-09 Allowing for the Special Election for Ward to and At-Large Seats to be held with the General Election on November 8th, 2022

Administrator Calvert gave a summary of the ordinance and said a special election for the two resignations would cost the city upwards of \$10k and allowing their seats to be run in conjunction with the general election would save the town and make election time more manageable for the election commission.
