

Liberty Solid Waste Customers,

The City of Liberty is excited about our new partnership with Meridian Waste that began on August 1st. We feel this is the most efficient way, now and the foreseeable future, for our small community to handle our solid waste collection. We continue to stay in communication with Meridian Waste as we receive inquiries from the public regarding the trash service. As with any change, there are always kinks that need to be worked out. While some customers are experiencing some issues, others have seen an improvement with the service provided by the new change. We appreciate the feedback from both sides as we look to resolve all concerns.

As a reminder, and to help ensure your trash is picked up, please make certain all waste materials are placed **INSIDE** the cart and that you are following instructions on cart placement in the graphic below. Carts **MUST** be **OFF** the street and less than three (3) feet from the curb, and **MUST** be **AT LEAST** three (3) feet away from any standing object (this includes mailboxes, vehicles, buildings, and other waste containers).

You can reach Meridian Waste at (864) 295-2115 or CustomerCareGreenvilleSC@MeridianWaste.com

You can reach City of Liberty Public Works Department at (864) 843-3177, Option 2.

Thank you for your patience and understanding as we continue to strive to provide the best service to our Liberty citizens and customers.

For the love of Liberty,

Erica Romo Woods
Mayor

Cart Placement

Carts **MUST** be **OFF the street** and **LESS THAN three (3) ft.** from the curb, and **MUST** be **AT LEAST three (3) ft. away** from any standing object (this includes mailboxes, vehicles, and other waste containers).
