

Dear Community Leader:

The Liberty recreation football teams are seeking sponsors for the upcoming season. Each year we seek help to fund our program to help meet the needs of our athletes. Sports help build character, work as part of a team, and, most importantly, help these young kids to develop a work ethic.

Over the last few years, we have made considerable strides in building our program to a competitive level—the City of Liberty Parks and Recreational Department supplements the necessary program costs to run the program. Your sponsorship/donation would allow us to purchase supplies, coaches, gear, and equipment.

Please consider partnering with our program and our kids. There are four levels of sponsorship or donations available to help our student-athletes:

\$125.00 – Company mentions during the games. logo decal

\$150.00 – Company mentions during the games, logo decal, and team photo

\$200.00 – Company mention during games, logo decal, team Photo, Liberty recreation T-Shirt

\$500.00 and UP – Company mentions during games, logo decal, team Photo, Liberty recreation T-shirt, and 3 ft wide by 5 ft long vertical banner to be placed at the stadium.

We are NOT considered a non-profit organization.

Thank you for taking the time to read and consider this request.
